2026 Wreaths Across America

To all:

Please read this!

Wreaths Across America 2026 (WAA) is more than a fund raiser for the Signers Chapter of the Sons of the American Revolution (SAR). It is a special event which gives us pause, to remember the friends and family who served America and are interred in the Southern Nevada Veterans Memorial Cemetery.

Just as we did last year, we are going to lay our own wreaths on our friends and family's graves. The Cemetery will be setting aside our wreaths so that our members can participate in the placing of the wreaths.

Of course what this means is that we will need volunteers. All that is necessary is for you to contact me, for the time and meeting location, and it's advisable to wear warm clothes and comfortable shoes.

Last year due to everyone's generosity, we sold 60 wreaths, and I was able to insure all of the graves listed below received a wreath. I would be proud to be able to place those orders once again, but I need your early donations and if possible your participation on WAA Day 19 December 2026, to do so. Please take a look at the list below and make sure your friends or family members are included. If not just get in touch with me and I'll add them.

To make it easiest for everyone, all you need to do is send me a check I will place the orders for you, but you will need to send me your checks as soon as possible. The cutoff for me to get the checks is 25 November 2026.
