

NV-OFPA Annual Meeting

Our meeting was called to order by Past Governor Brian Worcester on 16 Feb 2013 in Reno NV.

Continuing tradition, we joined with the Northern Chapter NV-SAR. All opening and closing ceremonies were conducted by the SAR.

We met and held our brief business.

All current officers were reelected. Gift donations were approved for \$ 100.00 each to the Wounded Warriors Project and the Veterans Guest House in Reno. These gifts are part of our annual support for those who provide for the defense of our country.

We have 26 members and welcome our newest member Warren Hibbard.

Our treasury has no outstanding bills pending. The annual national dues check has been written. The bank balance before that payment is \$ 1391.45.

Five ROTC medal awards are provided each year to universities in Nevada, Idaho and Washington.

Our future meetings have been adjusted to celebrate George Washington's Birthday. The "Ringing of the Liberty Bell" on the 4th of July occurs each year at the Nevada State Museum in Carson City.
